25th Anniversary Celebration...

The year 2016 marked 25 years of teaching God's Word for Solid Ground Bible Study Ministries. This milestone was marked with a Celebration Night held October 14, 2016, at Kitchener Mennonite Brethren Church. Approximately 250 people attended to hear the compelling testimony of Rev. Majed El Shafie, founder, president and human rights advocate of One Free World International. His testimony made all more aware of the many martyrs whose lives have been taken for the cause of Christ and to call us to prayer daily for those in captivity and constant punishment.

Many stayed to enjoy dessert and to see, for the first time, the Timeline Tree showing the many aspects of ministry and events that have taken place over the past 25 years. It was a great time of fellowship and rejoicing. This evening was another opportunity to remember and thank the Lord for His faithfulness, loving kindness and continued provision to the ministry of Solid Ground.

Creation Camp—March 2016...

During March Break 2016, twenty Grade 6 to 8 students spent four days at Solid Ground's first ever "Creation Camp"! We were privileged to have Cal Smith from Creation Ministries teach on the Biblical account of creation, sharing scientific evidence that supports that the earth is indeed young. Following his teaching, students did a creation-related craft and enjoyed a nutritious snack. Before a final review and noontime departure, a DVD series about a missionary family in Papua New Guinea, was shown. It was a fun way to see how God's creation sustained "The Wild Brothers" in very practical ways!

We are burdened for young people who are daily bombarded with the theory of evolution which is presented as fact. Our prayer is that God used this week to ground the participants in Biblical creation truths.
