events

Metamorphoo ... butterflies and elaborately decorated hats were the fanfare; fancy finger sandwiches and butterfly adorned cupcakes were the menu as the ladies shared a pot of tea and listened to personal stories of how the Word of God has changed lives. The transformation - *metamorphoo* - theme was further elaborated as something old was given a whole new purpose. We were shown how to weave used plastic milk bags into sleeping mats for the homeless and how to redesign old worn jeans into practical and even stylish shoulder bags. It was a time of both, wonderful spiritual encouragement, as well as sweet fellowship and fun.

For the Love of Israel ... an awesome day of learning for all. We are so thankful to Jorge Sedaca, Executive Director of *Chosen People Ministries Canada* for taking time out of his busy schedule to spend the entire day with us sharing of his personal testimony and teaching us about the Jewish roots of Christianity, relating Biblical prophecy and what is currently happening in the Middle East and as a special treat, he led us in song and worship. It has always been an objective of *Solid Ground Ministries* to provide opportunities for its students to learn a Biblically based love for Israel through teaching, prayer, information resources, blessings, interaction with the Jewish community and instilling Biblical truths.

Thank you to ALL the volunteers who serve so selflessly in so many areas of the ministry - you are truly a blessing to all of us!
