Course Description:

Since the call of Abraham, the nation of Israel has been at the center of all of God's work in the world and will remain so until the end of history itself. However, many in the church have abandoned the truth of God's promises and covenant faithfulness to them. But God is not finished with His people, Israel, and is right now setting the stage to fulfill everything He has graciously committed to do for them.

The prophet Joel was used by God to speak to the very times in which we live; times in which He will bring His people, Israel, to repentance, salvation and blessing through faith in their Messiah, Jesus Christ. These truths are also a wonderful encouragement to our own faith in God as we see Him fulfilling the truths of His word in our world today.

Come and study with us as we look at God's promises concerning Israel that are about to come to pass.

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
